Introduction

Attention all CANOEING, KAYAKING and RAFTING beginners **and** enthusiasts. **The Outfitters Directory** is here to help.

The following text is the most comprehensive directory of U.S. and Canadian outfitters available. **The Outfitters Directory** will help you and your group plan your water excursions. It provides you with all the connections you need to rent equipment, arrange shuttling, set up a guided trip, receive instruction and locate camping or lodging.

The Outfitters Directory is divided into regions: Northeast; East; Southeast; Central; West; Alaska, Hawaii & International; and Canada. The States within each region are listed in alphabetical order, as are the outfitters within each state (or province). The listings include the Outfitter's name, address, phone, the rivers or lakes serviced, and the facilities available.

Use **The Outfitters Directory** and there's no need to hitchhike back to your car, or drive for hours in the dark looking for a place to camp. Don't stay home because you haven't a canoe — rent one! Heard of those raft trips to exotic lands? Now you know who to ask. Just look it up.....in **The Outfitters Directory!**
